

Attention Educators

The DuPont Challenge offers winning students, sponsoring teachers, and parents more than \$100,000 in awards, including an expenses-paid trip to a Walt Disney World® Resort and a VIP tour and luncheon at NASA's Kennedy Space Center.

The DuPont Challenge is an essay competition for grades 6–12 that focuses on scientific and technological developments that create solutions to humanity's most pressing global challenges.

Essays may be submitted in the following four categories:

- Together, we can **FEED** the world.
- Together, we can build a secure **ENERGY** future.
- Together, we can **PROTECT** people and the environment.
- Together, we can be **INNOVATIVE** anywhere.

On behalf of The DuPont Challenge team, we encourage you to share this exciting program with teachers and students who may have an interest in participating. The official entry period begins November 15, 2015 and ends January 31, 2016.
